

- ✓ We've analysed the best of the best on the market and created something better.
- ✓ We've worked with leading IBA experts and super-users.
- ✓ We've adapted, improved and modernised features, giving them the VIPR treatment.
- ✓ **And now we've got the fastest, most intuitive and user-friendly IBA system on the market.**

VIPR's **IBA system** is a sophisticated IT solution designed to manage distribution costs amongst stakeholders through hyper-efficient data collection, collation and reporting. Its clever functionality means it can handle high volumes of bordereaux transactions, managing data quickly and accurately. With VIPR's IBA, funds are effectively calculated and distributed, ensuring the correct payments are made to the right people.
